

Bullmer Plotter Parts List

1	84612250	Mainboard	 A green printed circuit board (PCB) with various electronic components, including a central processor, memory modules, and connectors. A small white label with Chinese text is visible at the top.
2	84612251	Print head mainboard	 A small green PCB with a single integrated circuit and a white cable attached. A small white label with Chinese text is at the bottom.
3	84612252	Back board	 A green PCB with a large integrated circuit and several connectors. A small white label with Chinese text is at the bottom.
4	84612253	Servo motor board	 A green PCB with various electronic components, including a central processor, memory modules, and connectors. A small white label with Chinese text is at the bottom.

5	84612254	Receive paper board	
6	84612255	Optical grating	
7	84612256	Optical grating sensor	
8	84612257	Driver	
9	84612258	24V Power	
10	84612259	Servo motor	

11	84612260	step motor	
12	84612261	Receive paper motor	
13	84612262	ink box(double)	
14	84612263	ink box(single)	
15	84612264	back board holder	
16	84712127	ink box cover	

17	84712128	ink box cushion	
18	84712129	Press wheel	
19	84612265	Press wheel holder	
20	84612266	Steel slice	
21	84602426	Rub moves wheel	
22	84530365	Print signal line	

23	84530366	Print singal line nets	
24	84530367	Print head signal line	
25	84530368	Keyboard	
26	84612267	Keyboard sensor	
27	84612268	Operate board	
28	84612269	Zero position sensor	

29	84530369	Fan	
30	84612270	magnet ring	
31	84612271	Receive paper sensor	
32	84635026	ink box belt	
33	84635027	Rub moves motor belt	
34	84612273	USB signal line	

35	84635028	Servo motor wheel	
36	84612272	Wire	
37	84612275	hold paper bar	
38	84612274	driving block	
39	84612276	hold paper limit	
40	84635029	driven wheel	

41	84612277	Dance bar	
42	84712130	Dance bar plug	
43	84635030	ink box wheel	
44	84712131	side cover	
45	84612278	Flexible Flat Cable	
46	84612279	POWER SWITCH	

47	84712132	hand shank
